

Position Summary

To further the mission of Girl Scouts Western Oklahoma through the development and management of program, human resources, and strategic operations for the resident camp program. This position works with the Girl Experience Leader to deliver fun and engaging activities while providing direct supervision of campers at Camp E-Ko-Wah. This position is considered a primary caregiver for campers which includes sleeping in the same unit and/or cabin as the campers, taking them to mealtimes and supporting the campers in all of their day to day activities. This position works with the administration to ensure camper supervisory operations and activities are following state regulations, ACA standards, and Girl Scouts Safety Activity Checkpoints.

Position Responsibilities

- Assist in the direction, supervision, and organization of campers in their living unit, within activities and throughout the camp in order to meet the intended camper outcomes.
- Assure campers are properly supervised at all times.
- Participate in the development and implementation of program activities for campers within the mission and outcomes.
- Responsible for leading and assisting with the teaching of activities, as well as assist in program areas such as aquatics, nature, science, archery, low and high ropes, and arts and crafts as directed.
- Provide the daily care of each camper within your supervision including recognizing personal health needs, ensuring that campers receive their medications as directed by the health care manager, and ensuring they have the proper apparel and gear for the days' activities.
- Design, deliver, and evaluate camp programs which meet the needs and interests of the camps target populations and ensure their delivery in a safe and quality manner.
- Participate enthusiastically in all camp programs and activities, and use positive communication techniques as instructed during pre-camp training.
- Promote practices that seek to reduce waste, reuse items, and recycle as much as possible.
- Actively participate and uphold the camps' risk management program.
- Be a role model to campers and staff in your conversations, attitude, and behavior.
 - At all times, demonstrate cooperative behavior with colleagues and supervisors.
 - Follow and uphold all safety and security rules and procedures.
 - Work well both independently and as a contributing member of a team.
- Work well under pressure, meeting multiple and sometimes competing deadlines.

Required Abilities and Physical Demands

- The ability to listen objectively to others, and communicate well in verbal and written English.
 - Strong interpersonal skills and the mindset of a team player.
- The ability to read text and information, and comprehend instructions and manuals.
 - Strong oral and written communication skills in the English language.

- The ability to enforce appropriate safety regulations and emergency procedures.
- Organized and detail oriented with a proven ability to multi-task and meet strict deadlines.
 - Self-starter, capable of adapting to any work environment.
- Visual and auditory ability to identify and respond to environmental and other hazards related to the camp environment.
- Must be able to frequently lift and carry items weighing up to 50lbs.
- Physical ability to respond appropriately to situations requiring First Aid. Must be able to assist adults and children in an emergency (fire, evacuation, illness, injury, etc.) and possess strength and endurance required to maintain constant supervision of participants.
- Physical ability to move about the camp property, both on and off trail, in a variety of environmental conditions without assistance.
- **All other duties as assigned or necessary to support the camp as a whole.**
