Dear Girl Scout Families and Supporters,

Welcome to an Adventure of a Lifetime! I am thrilled to introduce the 2024 Camp Guide, your passport to a world of excitement, growth, and exploration. As the CEO of Girl Scouts Western Oklahoma, I am deeply proud of our commitment to providing girls with the opportunities they need to build courage, confidence, and character.

Camp is a place where lifelong memories are made. Nestled in the heart of rural and urban nature, Camp E-Ko-Wah and Camp Trivera offer sanctuaries for Girl Scouts to discover, learn, and thrive. In the pages of this guide, you will find a treasure trove of experiences that inspire leadership, environmental stewardship, and lifelong friendships.

We believe in the power of the Girl Scout Promise and Law, and how these values shape the girls we serve. At both Camp E-Ko-Wah and Camp Trivera, our aim is to provide a safe and inclusive space for Girl Scouts of all backgrounds to embrace their potential and develop skills that will serve them throughout life. We encourage them to step out of their comfort zones, to embrace new challenges, and to become the leaders of tomorrow.

I invite you to explore this Camp Guide with your girl, and together, choose the adventure that best suits her interests and aspirations. Whether she’s a first-time camper or a seasoned outdoor enthusiast, there’s a program that will capture her heart and ignite her spirit.

On behalf of the entire GSWESTOK team, I thank you for entrusting us with the privilege of nurturing your girl’s growth. As we embark on this incredible journey together, let us celebrate the Girl Scout sisterhood and the bonds that will be forged at camp. Here’s to a summer filled with laughter, learning, and lifelong friendships.

Yours in Girl Scouting,

Chief Executive Officer

For more than 110 years,

Girl Scouts have discovered, explored, and strengthened their outdoor skills and commitment to environmental stewardship through Girl Scouting. Guided by supportive adults and peers, Girl Scouts discover the wonders of nature, experience the thrill of adventure, and challenge themselves and one another to reach new heights!

Our outdoor programming features a variety of fun, challenging, and experiential activities that empower Girl Scouts as they develop attitudes, skills, and behaviors essential to effective leadership in the outdoors:

Outdoor Interest: Girl Scouts have a love of nature and an interest in the natural world.

Outdoor Confidence: Girl Scouts have confidence in their outdoor abilities and are willing to try new and challenging outdoor activities.

Outdoor Competence: Girl Scouts engage safely and responsibly in a range of outdoor activities (e.g., practicing Leave No Trace and knowing what to bring to be prepared for the outdoors).

Environmental Stewardship: Girl Scouts understand how their behaviors impact the environment and what they can do to protect the natural world.

Getting Started

Registration

Summer Camp registration is now open. Visit Our Website to sign-up today! Registrations are processed on a first-come, first-served basis. If you have questions regarding the registration process, please contact our Customer Care team at info@gswestok.org or 405-528-4475.

Don't Delay. Register Right Away!

Whether you're using Cookie Rewards, financial assistance, paying in full, or some combination of the three, you need to make the initial camp deposit of \$50 immediately in order to reserve a space for your camper. Sessions fill quickly and campers rarely get moved from the waitlist into a spot at camp.

Not A Girl Scout Yet? No Problem!

You don't have to be in a troop or participate in Girl Scouts during the school year to go to camp! Invite your friends, classmates, and family members! All you'll need to do is become a Girl Scout member while registering for camp. Memberships are \$25 and available online.

Balances Due

All camp fees must be paid in full 14 days prior to the start of each camp session. It is the responsibility of the camper's parent or guardian to ensure camp fees are paid by the deadline, regardless of whether an invoice has been received. Balances may be checked and paid online. If a registration is submitted after balances are due, payment in full is required.

Financial Assistance

We're here to help make every Girl Scout's camp dreams a reality. Financial assistance is available. A deposit is all you need to hold your camper's spot at camp!

Camp is for all Girl Scouts!

Girl Scouts can expect the opportunity to live, play, and grow alongside campers and staff who are unique from one another. We're proud to unite people from all walks of life who all have at least one thing in common – their love of camp!

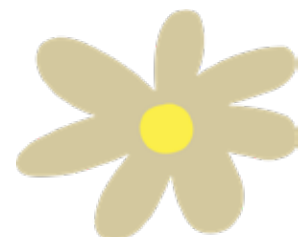

Technology & Camp

Campers are not allowed to bring phones, tablets, smartwatches, or similar devices to camp. We know, it's tough. We try to limit distractions that the outside world can cause, so please be sure to prepare your camper to be without technology during their time at camp. Letters are not only accepted but encouraged!

Camp Open Houses

Be sure to sign up for a free Camp Open House! Visit the registration pages for more details.

Top Ten Tips for First-Time Overnight Campers and Their Caregivers

- 1. Mentally prepare your Girl Scout for overnight adventures.** Send them to sleepovers with trusted friends or relatives first.
- 2. Help them visualize camp.** Before Overnight Camp, attend an open house event to get a feel for the property.
- 3. Let your child take charge.** Shop together for supplies and have your Girl Scout pick out practice items that they need, and a few fun small items as well. Then, after your shopping trip, pack everything together.
- 4. Have a pep talk.** As a first-timer staying at Overnight Camp, your child will no doubt feel nervous. Help them understand this is totally natural and that other newbies will feel the same way. Let them know that pushing past their comfort zone will help them to grow and have an adventure of a lifetime.
- 5. Make exciting goals.** Help your Girl Scout brainstorm a few goals for their Overnight Camp experience. For example, make a new friend, learn a new skill, or face a new fear.
- 6. Give them a taste of home.** Overnight Camp is an incredible adventure, but that doesn't mean homesickness won't come into the equation. When you are packing together, make sure to slip in a couple photos or a favorite stuffed animal from home.
- 7. Write positive letters.** Campers love to receive mail from home! However, be cautious about what you write. Avoid telling them that you are lonely without them or communicating any bad news. Instead, be positive and ask lots of questions about their experience.
- 8. Don't spoil their experience.** Do not make promises that will disrupt their time at camp. For example, don't promise to pick them up early if they aren't having a good time or that they can call you anytime they feel homesick.
- 9. Overnight Camp is a break for caregivers too!** Caregivers can use this time to re-charge their batteries and enjoy some self-care.
- 10. Short and sweet goodbyes.** The longer your camper has to think about missing you before you leave camp, the more likely they will be to suffer from homesickness or an emotional goodbye.
